Representative Gard
Senator Decker

TRIBAL GAMING REVENUE ALLOCATIONS

Motion:

Move to approve the Governor's recommendations contained in the Fiscal Bureau Papers # 167 through #183 with the following modifications:

PJK
1. LFB Paper #167. Alternatives 2a, b, c and d. Provide nonstatutory language clarifying that the unencumbered balances in the applicable appropriations on June 30, 2001, would revert to the Indian gaming receipts appropriation in 2001-02 on the effective date of the bill. Provide that any unencumbered balance on June 30 of each year in the annual appropriation for Forward Wisconsin, Inc., business recruitment, be required to revert to the Indian gaming receipts appropriation. Convert two continuing appropriations to biennial appropriations, subject to the reversion of unencumbered balances provision for biennial appropriations under the bill (the Commerce appropriation for the Physician Loan Assistance Program and the Tourism marketing appropriation). Provide that the DHFS allocation for state match of certain medical assistance-funded activities be transferred to a new biennial appropriation for this purpose, subject to the reversion of unencumbered balances provision for biennial appropriations under the bill, and modify the Indian gaming receipts appropriation language that allocates this funding to DHFS to reflect this change.

RK of GMM?
2. LFB Paper #168. Alternative 2. Place \$500,000 annually in the PR appropriation of the Joint Committee on Finance to be transferred under s. 13.10 to the management assistance grant program appropriation upon request by DOA and a finding that a county has met the eligibility criteria of the grant program.

MGD
3. LFB Paper #169. Alternative A3. Maintain current law, which would: (a) provide \$63,600 PR and 1.0 PR position annually and maintain the cooperative county-tribal law enforcement program in DOJ; (c) maintain OJA's county law enforcement services grant program; and (d) maintain OJA's tribal law enforcement assistance program. In addition, technically correct the county law enforcement services appropriation funding source designation. (Funding would remain at \$708,400 annually for county-tribal grants under DOJ, \$250,000 annually for OJA's county grant program and \$1,050,000 annually for OJA's tribal grant program.)

MJD?
ZAC?
4. LFB Paper #172. Alternatives 2 and 3. Modify the Governor's recommendation by

increasing the 1999 Act 9 project enumeration by \$350,000 and authorizing an additional \$350,000 in program revenue supported general obligation bonding for the purchase of movable equipment for the aquaculture facility. Debt service on the bonds would be paid with tribal gaming revenues beginning in 2003-04. Modify the Governor's recommendation by deleting \$50,000 and 1.0 position in 2002-03. The remaining funding would provide \$80,000 for an aquaculture facility director based at UW-Superior starting in 2002 03 as well as \$170,000 that could be used for movable equipment or other facility costs.

RCT
5. LFB Paper #173. Alternative 4. Maintain current law (funding for agricultural development and diversification grants would remain at \$400,000 GPR annually).

PJK
6. LFB Paper #174. Modify the gaming economic development and diversification grant and loan programs as follows: (a) consolidate, into one biennial program revenue appropriation, both the gaming economic development and economic diversification grant and loan programs and create a consolidated program revenue biennial repayments appropriation for both programs; (b) reduce funding for the combined economic development and diversification appropriation by \$2,750,000 PR in 2001-02 and \$1,750,000 in 2002-03; (c) beginning in 2001-02, transfer annual funding of \$170,700 and 1.0 gaming grants specialist position and supplies from the gaming economic development grants and loans appropriation to the Department's Native American Liaison appropriation; (d) provide that economic diversification grants and loans could be used for brownfields remediation projects; (e) expand the definition of a business that would be qualified to receive gaming economic development and diversification grants and loans to specifically include start-up businesses; and (f) authorize Commerce to make a gaming economic development grant of up to \$1,000,000 to the M7 Development Corporation for constructing a multipurpose center at Lincoln Park in the City of Milwaukee (no matching funds would be required). In addition Commerce would be required to allocate \$500,000 a year from the gaming economic development and diversification program for Oneida Small Business Inc. and Project 2000 to provide grants and loans for businesses located in counties in which the Oneida reservation is located or an adjacent county. Authorize grants and loans to be made to businesses that are: (a) start up; (b) small business as defined for the Rural Economic Development program or (c) owned by an Oneida tribal member.

PJK
7. LFB Paper #175. Create a separate program revenue appropriation for the manufacturing extension center grant program and provide \$500,000 PR annually in tribal gaming revenues to fund the program. (The program would no longer be funded through WDF appropriations.) The grant program's sunset date of June 30, 2001, would be repealed. Create a separate program revenue appropriation for the business employees' skills training grant program (BEST) and provide \$150,000 PR annually in tribal gaming revenues to fund the program. Further, adopt alternative C3 to maintain current funding levels for the Wisconsin Development Fund.

PJK
8. LFB Paper #177. Alternative 3. Maintain current law (funding for Forward Wisconsin would remain at \$500,000 GPR annually).

DAK
9. LFB Paper #178. Approve the Governor's recommendation and, in addition, expand the current health care provider grant and loan program to include dental hygienists and authorize Commerce to repay up to \$25,000 in educational loans over three years. Provide \$10,000 PR in 2001-02 and \$20,000 PR in tribal gaming revenue in 2002-03 to fund loan repayments for dental hygienists.

MGG/
RNK
10. LFB Paper #179. Alternative 4. Delete the Governor's recommendation (to provide \$166,000 PR in 2001-02 and \$157,900 in 20002-03) and, in addition, delete \$100,000 SEG annually from the fish and wildlife account of the conservation fund to delete base funding for the Deer 2000 initiative.

MGG/
RNK
11. LFB Paper #180. Delete \$100,000 PR annually in tribal gaming revenues for elk herd monitoring, management and reintroduction efforts. Instead, provide \$100,000 in fish and wildlife SEG annually. [Total funding for elk reintroduction would be \$200,600 annually (\$100,600 PR with 0.5 position and \$100,000 SEG).]

MGG/
RNK
12. LFB Paper #181. Alternative A2 to maintain current law maximum reimbursement levels for eligible local recreational vehicle enforcement costs. Further, provide \$520,000 annually (\$200,000 snowmobile SEG, \$20,000 ATV SEG, and \$300,000 boating SEG from the conservation fund) to increase available aid for county and municipal enforcement efforts. (This would allow DNR to fund at least 80% of eligible reimbursement costs for local snowmobile enforcement efforts, 82% of ATV enforcement efforts, and up to 75% of eligible boating enforcement expenses.) [The \$100,000 annually in tribal gaming revenue for snowmobile enforcement under the bill would be deleted.]

ISR/RCT
13. LFB Paper #183. Transfer \$500,000 in 2001-02 and \$1,000,000 in 2002-03 in tribal gaming revenue to the environmental fund in the 2001-03 biennium only.

RCT
14. Delete \$120,000 PR annually from tribal gaming program revenues and related appropriation language to fund nonpoint grants and local assistance (staffing) to the Oneida Nation of Chippewa. (The Oneida Nation receives grants for nonpoint source pollution abatement projects in two priority watersheds. Grants are provided for local staff and supplies to administer the program and for landowner cost-shares to implement pollution prevention practices. Under the motion, grant funding would instead be allocated from the Departments of Natural Resources and Agriculture, Trade and Consumer Protection GPR and bonding authorizations.)

MGG/
RNK
15. Provide \$20,000 PR in 2001-02 and \$150,000 PR in 2002-03 only from tribal gaming revenues in an annual appropriation to the Department of Natural Resources to fund costs relating to the study and reintroduction of coaster brook trout.

MGG/
RNK
16. Move to provide \$31,300 PR in 2001-02 and \$41,800 PR in 2002-03 in a new, annual appropriation from tribal gaming revenues to provide law enforcement at the Kickapoo Valley Reserve.

GMM
17. Provide \$50,000 PR in 2001-02 to the Department of Workforce Development to fund a Trade Masters Pilot Program that would recognize advanced training and post-apprenticeship achievements in three trades, crafts or businesses one of which would be the industrial sector, one in the construction sector, one in the service sector of the economy. Require the Department of Workforce Development, by July 1, 2010, to submit an evaluation of the effectiveness of the pilot program to the Legislature.

RCT?
18. Provide \$500,000 in each of 2001-02 and 2002-03 as a one-time grant to the Town of Swiss in Burnett County and the St. Croix Band of Chippewa for design, engineering and construction of wastewater and drinking water treatment facilities.

RCT?
19. Provide \$30,000 PR annually in tribal gaming revenues to DNR for a study of crop damage caused by cranes. Funding would be one-time in the 2001-03 biennium only.

MGG
RNIK
20. Provide \$10,000 PR in 2001-02 to DNR for a grant to the Wisconsin Conservation Hall of Fame.

RCT
21. Provide \$100,000 PR annually from tribal gaming revenues to the University of Wisconsin-Extension for the multi-agency land and water education grant program for grants to producers interested in grazing and nutrient management. Create an annual appropriation under UW-Extension for this purpose with reversion of unencumbered balance provisions consistent with other tribal gaming revenue appropriations. Prohibit the encumbrance of funds from this appropriation after June 30, 2006.

Grants would be awarded on a competitive basis for innovative educational or conservation practice assessment programs targeted at agricultural producers in the state. Applicants could include, but would not be limited to: (a) conservation districts; (b) state agriculture and natural resource agencies; (c) the Natural Resource Conservation Service; (d) University of Wisconsin; (e) nonprofit organizations; and (f) geographic management unit partner teams.

A project manager could submit multiple proposals but, at most, one proposal per project manager, per funding category, could receive funding during any grant selection cycle.

To be eligible for funding, programs would be required to emphasize education at the local level, focusing on either county, regional or statewide natural resource concerns. Programs would be required to further at least one of the following goals: (a) help agricultural producers identify and understand their natural resource and environmental conditions; or (b) plan, design, implement, operate or maintain conservation practices on agricultural land.

Preference would be given to programs that focus the majority of their educational efforts on the USDA Environmental Quality Incentives Program (EQIP) priority areas. Preference would also be given to programs that target traditionally under-served audiences such as Native American, African American, Asian American, Amish, women or low-income farmers. UW-Extension would establish maximum grant amounts depending on the quantity and content of the proposals and

applications received.

PLA 22. Provide \$50,000 PR in 2001-02 for a special counselor grant program. Create an annual appropriation under the Department of Public Instruction (DPI) for this purpose with reversion of unencumbered balance provisions consistent with other tribal gaming revenue appropriations. Require the Department to award grants to entities that serve or border on a reservation, including school boards, boards of control of cooperative educational service agencies, or consortia consisting of at least two educational agencies, or an educational organization. These grants could be used for the cost of employing special counselors to help American Indian pupils adjust to their school districts. Reduce funding for general school aids by \$16,700 GPR in 2001-02 in order to adjust two-thirds funding of partial school revenues.

MDL 23. Provide \$250,000 PR in each year of the biennium to the Department of Administration to fund programs at the UW-Green Bay which have been jointly developed by the Oneida Tribe and the UW-Green Bay.

MDL 24. Provide \$15,000 PR in 2001-02 to the State Historical Society to fund costs related to identifying unmarked American Indian gravesites at the Power's Bluff County Park in Wood County.

MDL 25. Provide \$25,000 PR in 2001-02 to the State Historical Society to provide funding to the Merrill Historical Society for the publication of a native tribal history of the upper Wisconsin river valley.

DAK/ISR 26. Provide \$250,000 PR annually to fund minority health programs. Specify that this funding would include: (a) a grant of up to \$50,000 PR annually for a private nonprofit corporation to conduct a public information campaign on minority health; and (b) \$200,000 PR annually for grants of up to \$50,000 for minority health programs. Modify the grant program to require recipients to provide a match, which may be provided as in-kind services, totaling at least 50% of the amount of the grant awarded by the state. In addition, provide that organizations that are not federally qualified health centers would receive priority for grants.

DAK/ISR 27. Delete \$250,000 PR annually and eliminate the compulsive gambling awareness campaign grant program administered by the Department of Health and Family Services.

ISR 28. Provide \$100,000 PR annually to the Department of Veterans Affairs to fund operational costs related to the Wisconsin Veterans Museum and create a new appropriation for this purpose funded from tribal gaming revenues. Delete \$100,000 SEG annually for the operation of Wisconsin Veterans Museum.

Note:

[Change to Bill: -\$1,913,600 PR and -\$16,700 GPR and -\$200,000 SEG]

Subject: RE: Tribal Gaming Moneys

For those of you who are creating new appropriations for Indian gaming moneys: The moneys should revert back to s. 20.505 (8) (hm) at the end of the fiscal year for annual appropriations and at the end of the biennium for biennial appropriations. (see sections 421 and 451 of the budget bill for examples)

Also, when you add a subdivision paragraph to s. 20.505 (8) (hm), please use a number between 1. and 19. This will make reconciliation much easier.

OK, I think that's it.

Thanks,

Ivy
